

easy mounting: all 15mm
single for 50 Kg (9125..)
single for 100 kg (9150..)
full extension for 50 Kg (9261..)

single extension drawer slide (2-parts)
stainless steel 1.4509/A2 (new @)
single extension 75%
space required 15mm, for bottom mounting

with (p/Pr) 4 white DELRIN rollers ø22mm (type R251) or
with white DELRIN encased ball bearing rollers ø22mm (R256);
the slide can be used for -45°C. till +80°C.

slides captive on the right side,
with compensation of tolerance on the left side

cabinet profile and drawer profile with screwholes (for 4mm)
for example: cabinet profile 500mm has 6 screwholes;
for easily disconnecting every day
by lifting-up the front of the opened drawer

non-return groove in the front of the cabinet profile
for keeping the drawer in closed position
